## Grupo de Veinte Foundation

### Mission Statement

*Grupo de Veinte Foundation* supports the religious communities which include the Priests, Sisters and Missionaries who provide medical needs, health and educational assistance to the peoples residing in the remote, high mountain regions of Perú,

**Pallpata, Perú:** Padre John distributes solar panels to parishioners living at 15,000 feet.. immediate joy!

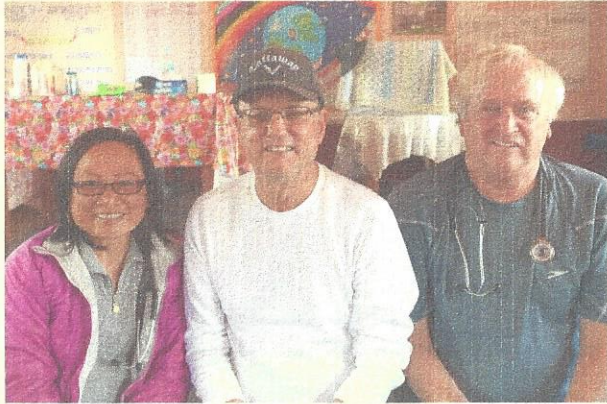

### NEED YOUR HELP TO CHANGE LIVES

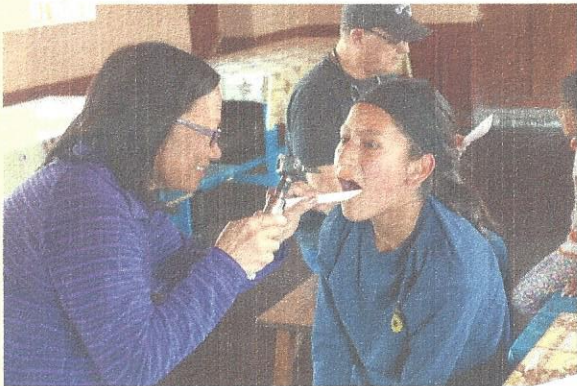

Fifty (50) Home Solar Panel Systems will arrive via truck Cusco, Perú September 1st  
**Complete Cost will total \$8,000.00**

A generous donor will provide a "Match Donation" of \$4,000.00 if Grupo de Veinte receives the first \$4,000.00 from donors by Sept. 1st. Your help will be appreciated.

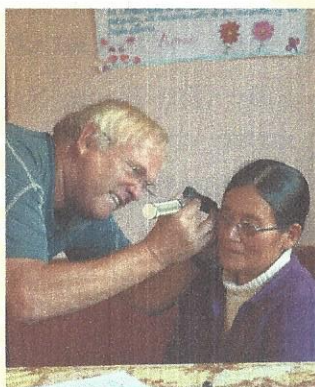

**Velille, Peru:** Our friend Bob Olson and friends, all Nurse Practitioners, traveled to Perú to give complete physical examinations of our students.

Danny & Maria along with Bob worked two days completing 70+ physical examinations of adults & children from Velille and other pueblos.

Professor Raul assists with eye exam while Bob finishes physical exam with Sister Concepcion.

## Grupo de Veinte Foundation

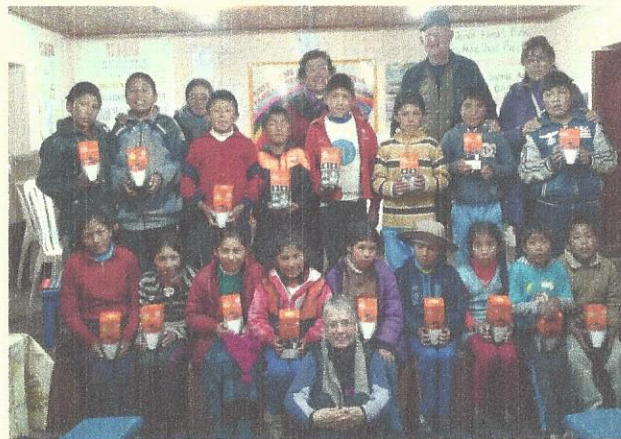

## Grupo de Estudios Avanzados

Q'eswachaka - "the last Inka Bridge"

Students attending junior grades have received one Solar Lantern which will ensure their safety when they walk home from school on the weekends.

Carpenter Gerardo with family. Also his son Miguel, his assistant and who helps us each year.

Gerardo Ferro, our carpenter, built 20 bunkbeds for Estudios Avanzados students. Built in Cusco and delivered to Velille and assembled 3 per dorm.
